Class structures and teachers for next academic year will be confirmed by the end of June. There will be a morning when children move to their new classroom and meet their teacher.

We are also expecting to organise an end of year graduation event that all children and families will be invited to attend. We will confirm the day and time as soon as possible.

Attendance

Well done everyone, we're back in line with the national attendance target of 96%.

Attendance is key to success, we appreciate that it has been challenging at times to attend school given the government guidance but we must do all we can to ensure children are in school every day they can be.

Sporting Success

Congratulations to the year 3 and 4 Girls football team who played in their first league matches this week. They played 2 games, winning against Romanby and losing against Hutton Rudby. They're currently second in the league. There are more fixtures being planned for the future by the Hambleton cluster so we look forward to sharing more sporting success with everyone soon.

School Parliament's Reading Sanctuary

This term the children have been focused on refurbishing the library garden, planting the donated seeds and plants. The children throughout school are now invited to use the space during playtime and lunchtimes.

North Yorkshire electrical recycling

You can drop off small electrical items such as irons or hairdryers at local libraries up to 8th July. Find out more at www.northyorks.gov.uk/SmallElectricals

Laptops, tablets and smartphones that still work can be dropped off at participating libraries and donated to the [Reboot scheme](#).
