## Events & Celebrations!

We are still restricted in many ways by the Covid guidance but we are hopeful that some events will run later this term. We are planning a sports event for the children and will confirm nearer the time whether this can be attended by parents.

We are excited for all children to participate in a mosaic workshop with local artisan, Sue Kershaw. The children will all be contributing to a mural for the library wall. This was funded by a bid to the Mukherjee Trust and will also enable us to create a wildlife and produce garden.

Towards the end of term everyone will enjoy a Circus Skills Day with Mr Dan. This is being funded by FOAS and all children will have the chance to learn new skills such as juggling, spinning plates and walking on stilts.

All events will follow Covid guidance and the children will be in their bubbles.

## OPAA

We are so proud of the way the children have adapted to the changes this term. It is a pleasure to see their enthusiasm for their learning. We are celebrating their achievements with weekly certificates for English, Maths and Achievement. Lots of children are immensely proud of receiving their pen licences too. Please ask your child if they have earned a super swirl – these are also counting towards points for their house.

Thank you for your support

## Polite Reminders

Thank you for continuing to help us prevent the spread of Covid-19 by arriving at the staggered drop-off and collection times, limiting the number of adults on site and wearing face coverings (unless medically exempt)

If you drive to the academy, please can we ask that you respect our local community and park safely, avoiding obstructing neighbour's drives.

## Uniform Orders

Please remember to complete the online order form by 28<sup>th</sup> May;
