

Spelling Bee Inter-house Competition

Dear Parents,

We will be holding a Spelling Bee competition for all children in Year 1 to Year 6 immediately after the Easter holidays. We're telling you well in advance to give everyone plenty of time to learn their words.

All children will be able to participate in the first round. The words will be read aloud and the children will write them down to be marked by staff. For every word spelt correctly they will earn a Super Swirl for their House. There will be 20 words chosen at random from the lists below. The 4 highest 'spellers' in each year (1 from each team) will then represent their team in the final on Thursday 20th April.

Children will be asked to learn the following words;

- Year 1: [Year 1 common exception words](#)
- Year 2: [Year 2 common exception words](#)
- Year 3 & 4: [Year 3 & 4 spellings](#)
- Year 5 & 6: [Year 5 & 6 spellings](#)

Children with identified spelling needs will be given an appropriate word list.

Everyone will have a hard copy of the word lists sent home by the end of this week. Here are some online games that will help children to learn their spellings;

- [Little Bird spelling](#)
- [Spooky Spellings](#)

Best wishes

Miss Dawson
